

DOUG HOLT

MENTOR, COACH, ENTREPRENEUR

INTERVIEW TOPICS

- Designing your business around your life rather than your life around your business.
- Starting and managing businesses while being location independent.
- Getting unstuck and gaining clarity in both your business and your personal life.
- Using personal growth and balance as a means to grow your business.
- How to take life to the "next level".
- The tools to go from frustration + overwhelm to fulfillment and freedom.

BIO

Doug Holt is the owner of 5 companies, all centered around helping business owners grow their businesses and live epic lives.

In short, he is a father, a husband, a trusted friend, an advisor, an entrepreneur, an investor, an adventurer, and a regular guy who enjoys learning new things over a glass of wine or beer...or a good cup of coffee.

His clients know him mostly as their trusted advisor and friend. His passion in helping business owners get unstuck and gain clarity so they can live the lives they truly dream of and take control of their businesses in a way that supports their dreams.
